FELI WINS GROUP AT WORLD DOG SHOW!

MEXICO CITY, May 24, 2007. "Feliy Pelito" won Best Junior in Group, Group V, Spitz and Primitive, at the World Dog Show! Manco Sanchez, large size Peruvian Hairless Dog, placed 2nd. A German Spitz was 3rd, and an intermediate Xoloitzcuintle was 4th. It was a good day for hairless dogs. With so many Mexican Hairless Dogs entered, the Peruvian Hairless Dogs gained respect with their top finishes and results during the 4-day World Show.

FELIEY PELITO - BEST JUNIOR IN GROUP
World Dog Show Mexico - May 24, 2007

Feli was born in Lima, Peru and came to the USA at the age of 3 months. Melanie and Frank acquired her in September 2006 at the age of 9 months. When Melanie brought her home, she had to deal with a natural instinct telling Feli to attack and eat the puppies of their 8 week old litter. During the previous 6 months, Feli had lived her life completely outside, away from contact with people and other dogs, because her first owner in Florida had been busy with a career and young family. Feli was only responding like any animal in the wild who had never interacted with other creatures. Within a couple of hours, Feli was incorporated into the rest of their pack, and within 1 week, she was playing peacefully with the puppies.

In mid November 2006, Feli won Best in Show Junior and Best in Show Adult with Rarities North America. Breeder Elena Durand Loaiza and the Peruvian Kennel Club transferred ownership to Melanie after the Inca's Dog Show in Peru the next week. Now 6 months later, Feli has the Breed win and the Group win at the World Dog Show under Judges Eduardo Arozamena (Mexico) and Espen Engh (Norway). What a success story!

Silver Sculpture Awarded for "Best in Group"

WW SAHRAMI (VIVIANN)

NEW INTERNATIONAL TITLES

Mexican Champion
Americas Champion
World Champion

CACIB

International Champion

During each of the 4 shows, Vivian earned a CACIB
